Good morning Geof

Please see attached information submitted by Port of Newcastle in response to the Department's request for further information (which included Council's comments).

It would be appreciated if you could review and provide comments back to the Department as a matter of urgency.

Hi David,

Jackie Spiteri has asked me to take up this job (I recently started as the Planner at PON). Please find attached our response to the RFI regarding traffic concerns raised by Council.

By way of background, our consultants have been liaising with Council's Traffic Engineer to establish information requirements which we feel have been addressed in the additional information provided. Should you require anything further please do not hesitate to ask.

Thanks. PC

Hi Phillip,

Please see attached RFI and attachments.

Happy to discuss once you have had a read through. The RFI letter is in word so you can amend as needed.

Many Thanks
