Subject: SSD 7033 - Request for SEARs for residential / retail mixed use development at Site 53, 2 Figtree Drive, Sydney Olympic Park

Dear Ms Harrison,

The Department recently sought input from public authorities regarding a request for draft Secretary's Environmental Assessment Requirements for the above proposal.

The Department understands Site 68, Sydney Olympic Park, received detailed input on key issues and assessment requirements from OEH given the proximity of wetlands to it.

The applicant's request for SEARs for Site 53 is available at the Department's website http://majorprojects .planning.nsw.gov.au/index.pl?action=view_jobs&job_id=7033

On the basis of the above, could you please advise if input needs to be provided by OEH on the draft SEARs for the proposal at Site 53?

In my absence, could you please advise Amy Watson (Team Leader) whose details are provided above.

Thank you

Regards
