Pertition handed in on the 26th of April 2021 to Karen Harragon, Director Social & Infrastructure Assessments

Meadowbank, Ryde, West Ryde, 22 April 2021

Re: SSD-9343-Mod-3

- We request that the **7am start** is maintained **Monday to Friday** and that more emphasis is put by the proponent on managing noise pollution from the very early arriving workforce and logistics of deliveries.
- Work on **Saturday** shouldn't **start** before **8am**, but we gladly suggest to **finish by 10pm latest**, to make up all lost time in the interest of the public to have the new school buildings ready when needed at the start of the new school year 2022.
- Any work on a **Sunday** (and Public Holiday) should only be carried out **after 9am** if really needed. – Prior notification to residents in the vicinity mandatory.
- We also would prefer you limit any work after 6pm to essential work carried out within the building fit out, e.g. closed doors and windows.
