27 September 2018

Dear Ms Niles

MP10_0032 MOD 5 Australian Hearing Hub

Thank you for your email of 13 September 2018 noting that Macquarie University are seeking an extension of time in regards to the above matter. Council does not raise any objection to such extension.

As mentioned in the letter, Council is currently working through a Draft VPA provided by Macquarie University in regards to the construction of a shared user path (SUP). Council anticipates coming to a final version of the VPA for the SUP in the next month or so. Once a final version is agreed between the parties the VPA can be placed upon public exhibition.

Council also looks forward to reviewing the Draft VPA between the Department, on behalf of the RMS and Macquarie University. Council would appreciate being notified of such exhibition in writing.

If you have any queries regarding the progress of the VPA for the SUP with Council, could you please contact the undersigned on (02) 9952 8238 or email: dmatthews@ryde.nsw.gov.au.

Regards,

David Matthews
Acting Manager Urban Strategy
