Dear Mr Forbes

Boggabri Coal Mine (09_0182)

I refer to your letter dated 28 February 2018 about a proposed modification to the Boggabri Mine to address the:

- equipment sound power level compliance requirements;
- final landform of the Common Boundary Lease Transfer Area;
- use of the produce stockpile area by Tarrawonga Coal Mine;
- long term security mechanisms for biodiversity offset areas;
- inclusion of exploration activities; and
- road transportation of coal samples.

The Department has reviewed the information you provided. I can advise you that the proposed modification to the project can be considered under the former Section 75W of the *Environmental Planning and Assessment Act 1979* (EP&A Act).

The Department will be in contact with you shortly to discuss the next steps.

If you wish to discuss the matter further, please contact Rose-Anne Hawkeswood on 9274 6324.

Yours sincerely
