Hello David

Please find attached Endeavour Energy's submission for the exhibition of the Environmental Impact Statement (EIS) for the Huntingwood Processing Facility Expansion (SSD-17352813). I apologise for the late submission but I'm just overwhelmed with the number of notifications.

Kind regards

Subject: Notice of Exhibition – Huntingwood Processing Facility Expansion (SSD-17352813)

Dear Endeavour Energy

The Department of Planning, Industry and Environment (Department) has received an Environmental Impact Statement (EIS) for the Huntingwood Processing Facility Expansion (SSD-17352813).

The EIS will be publicly exhibited from Thursday 21 October 2021 to Wednesday 17 November 2021.

The EIS can be viewed on the Department's Major Projects website at website from **Thursday 21 October 2021**. If you wish to view the documents prior to this date, you will need to register an agency account on the Major Projects site. A User Guide is attached for your reference.

The Department invites you to advise on the proposal, including advice on recommended conditions by **Wednesday 17 November 2021**.

If you have any enquiries, please contact David Koppers on (02) 9373 2869 or via email at david.koppers@planning.nsw.gov.au.

Regards

Jess Fountain

The Department of Planning, Industry and Environment acknowledges that it stands on Country which always was and always will be Aboriginal land. We acknowledge the Traditional Custodians of the land and waters, and we show our respect for elders past, present and emerging. We are committed to providing places in which Aboriginal people are included socially, culturally and economically through thoughtful and collaborative approaches to our work.

Please consider the environment before printing this e-mail.
