Subject: SSD 7317 - SEARs request for redevelopment of Australian Technology Park
Date: Monday, 19 October 2015 3:07:01 PM

Dear Mr Truong

Thank you for your email dated 9 October 2015 to the Office of Environment and Heritage (OEH) providing draft Secretary's Environmental Assessment Requirements for Stage 1 Concept for redevelopment of the Australian Technology Park, Locomotive Street, Eveleigh.

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards and Aboriginal Cultural Heritage issues that require a formal OEH response. We have no need to be further involved in the assessment of the project.

Kind regards
Belinda
