

Application to modify a development consent

NSW GOVERNMENT
Department of Planning

Date received: 2 / 4 / 2007 DA modification no: DA 104 / 96 MOD 5

You can use this form to apply to modify a development consent given by the Minister of Planning. If the changes you propose mean the development will not be substantially the same as that originally approved, please do not use this form. You will need to submit a new development application.

To complete this form, please place a cross in the boxes ☐ and fill out the white sections as appropriate. **To minimise delay in receiving a decision about your application, please ensure you submit all relevant information to us.** When your application has been assessed, you will receive a notice of determination.

1. Details of the applicant

NAME

Mr ☒ Ms ☐ Mrs ☐ Dr ☐ Other

First name

Paul

Family name

Jury

Company/organisation

Resource Pacific Limited

ABN

106 177 708

STREET ADDRESS

Unit/street no.

Street name

Liddell Station Road

Suburb or town

Ravensworth

State

NSW

Postcode

2330

POSTAL ADDRESS (or mark 'as above')

PO Box 528

Suburb or town

Singleton

State

NSW

Postcode

Details of the land

Lot no. (or lot no. for Kosciuszko ski resorts)	Street or property name	
	New England Highway	
Town or locality	Postcode	Local government area
worth	2330	Singleton
Lot/Section/DP or Lot/Strata no. ^{(1) (2)}		
DP 738 417		

⁽¹⁾ You can find the lot, section, DP or strata number on a map of the land or on the title documents for the land, if title was provided after 30 October 1983. If you have documents older than 1983, you will need to contact Department of Lands for updated details.

(2) Note: If the subject land is located within the Kosciuszko ski resorts area, DP and strata numbers do not apply.

3. Details of the original development consent

Describe what the original consent allows

The construction and operation of an underground coal mine and associated raw and product handling facilities, generally in accordance with the Environmental Impact Statement prepared by HLA EnviroSciences (1996) and the development consent conditions.

What is the development application no.?	What is the date of consent?	What was the original estimated cost of development (including GST)?
N95/00395/001	2/11/1996	Approximately \$55 million

4. Describe the modification you propose to make

Please indicate the type of modification you propose to make by placing a cross in the appropriate box ☐ below.

You need to submit with your application form a full description of the expected impacts of the modifications proposed, including relevant plans, drawings and compliance with relevant controls.

- ☐ A modification to correct a minor error, misdescription or miscalculation

Describe the error, misdescription or miscalculation
(Refer to section 96(1) of the *Environmental Planning and Assessment 1979 (EP&A) Act*)

- ☒ A modification that will have minimal environmental impact

Describe the modification and its expected impact
(Refer to section 96(1A) of the EP&A Act)

Installation of two vent shafts and associated fans and infrastructure, three compressors and gate road associated with the existing approved long wall.

- ☐ Any other modification

Describe the modification and its expected impact
(Refer to section 96(2) of the EP&A Act)

If the subject land is located within the Kosciuszko ski resorts area, DP and strata numbers apply.

Details of the original development consent

Describe what the original consent allows

Construction and operation of an underground coal mine and associated raw and product processing facilities, generally in accordance with the Environmental Impact Statement prepared by EnviroSciences (1996) and the development consent conditions.

Development consent number	What is the date of consent?	What was the original estimated cost of development (including GST)?
95/001	2/11/1996	Approximately \$55 million

Describe the modification you propose to make

Indicate the type of modification you propose to make by placing a cross in the appropriate box below.

You must submit with your application form a full description of the expected impacts of the modifications proposed, including relevant plans, drawings and compliance with relevant controls.

☐ A modification to correct a minor error, misdescription or miscalculation

Describe the error, misdescription or miscalculation

(Refer to section 96(1) of the *Environmental Planning and Assessment 1979* (EP&A) Act)

☒ A modification that will have minimal environmental impact

Describe the modification and its expected impact

(Refer to section 96(1A) of the EP&A Act)

Installation of two vent shafts and associated fans and infrastructure, three compressors and gate road associated with the existing approved long wall.

☐ Any other modification

Describe the modification and its expected impact

(Refer to section 96(2) of the EP&A Act)

Will the modified development be substantially the same as the development that was originally approved?

No ☐ Please submit a new development application.

Yes ☒ Please provide evidence that the development will remain substantially the same. (If you need to attach additional pages, please list below the material attached).

The proposed modification is required to service the approved underground operation (see attached documentation for additional information).

If your proposal is within Kosciuszko ski resorts area, please attach a copy of the Interim Lease Variation Approval received from the National Parks and Wildlife Service to your application.

5. Number of jobs to be created

Please indicate the number of jobs this will create. This should be expressed as a proportion of full time jobs over a full year. (e.g. a person employed full-time for 6 months would equal 0.5 of a full-time equivalent job; six contractors working on and off over 2 weeks equate to 2 people working full-time for 2 weeks, which equals approximately 0.08 of an FTE job.)

Construction jobs (full-time equivalent)

0.4

Operation jobs (full-time equivalent)

-

6. Application fee

For development that involves a building or other work, the fee for your application is based on the estimated cost of the development.

Clause 258 of the Environmental Planning and Assessment Regulation 2000 and the table attached to that clause set out how to calculate the fee for an application for modification of a consent.

If your development needs to be advertised to the public you may also need to include an advertising fee. Clause 258 of the regulations includes details on these fees.

Note: Advertising fees attract GST, all other fees do not. Contact us if you need help to calculate the fee for your application.

Estimated cost of the development

\$5 million

Total fees lodged

\$ 3,087

modified development be substantially the same as the development that was originally
d?

In what capacity are you signing if you are not
the applicant?

8. Privacy policy

The information you provide in this application will enable us, and any relevant state agency, to
assess your application under the *Environmental Planning and Assessment Act 1979* and other
applicable state legislation. If the information is not provided, your application may not be accepted.
If your application is for designated development or advertised development, it will be available for
public inspection and copying during a submission period. Written notification of the application will
also be provided to the neighbourhood. You have the right to access and have corrected information
provided in your application. Please ensure that the information is accurate and advise us of any
changes.
