Dear Sir

PROPOSED GLENNIES CREEK COAL MINE -
ENVIRONMENTAL IMPACT STATEMENT

I refer to your letter of 10th September 1990 requesting our comments regarding the Environmental Impact Statement (EIS) for the proposed Glennies Creek Mine.

This EIS has been assessed and found to fully cover all the aspects required by this Department. Consequently we have no comments and fully support the proposed development.

Should you have any further queries, please contact me on 901 8510.

Yours sincerely
