Dear Ms Evans

Albion Park Quarry (10639 MOD 3) Comment on the Response to Submissions Report

I refer to your email of 23 December 2016 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from relevant divisions of DPI. Views were also sought from NSW Department of Industry - Lands that are now a division of the broader Department and no longer within NSW DPI. Any further referrals to DPI can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

DPI has reviewed the Response to Submissions and provides the following recommendations:

- The proponent should provide DPI Water with annual volumes of groundwater seepage into the quarry and obtain the relevant licenses, if necessary, to account for the take of groundwater.
- The proponent should provide further information on the preferred methods for disposal of groundwater.

Yours sincerely
