Hello David,

I refer to DA 11-01-99 MOD 10 for the development of a BMX facility at the Ridge Sporting Complex in Barden Ridge. The Department of Planning have requested additional information to the application for modification, from Sutherland Shire Council (as the applicant); specifically review and comment from Roads and Maritime Services.

We have discussed the plans with Roads and Maritime Services who have provided the below email response. In the event of a special race day or similar, Council would enact special event traffic and transport management plan in accordance with RMS guidelines.

I hope this is of assistance, please contact me if I can assist with any other matter.

Kind Regards

Kate,

As discussed today on the phone, RMS raises no objection to the proposal subject to the implementation of a Special Event Traffic and Transport Management Plan for any Major Event (eg State/Australian Championships etc) and undertaken in accordance with RMS guidelines.

Hi Owen,

The document is too large to send through our email system, so I hope the following link on the DoP website is acceptable to lodge the REF to your system.
