RE: DA 165-7-2005 Haerses Road Quarry – Request for Extension of Time to submit the revised Environmental Management Strategy and Sub-Plans post DA Modification 5

Dear Whom It May Concern,

Dixon Sand previously submitted a notification to the Department on 29 September 2022 in accordance with **Condition (d) of Schedule 5 of DA 165-7-2005**, confirming that the Environmental Management Strategy and Sub-Plans require a review and revision following the approval of DA Modification 5. The revised EMS and Sub-Plans are required to be submitted within 6 weeks of the abovementioned notification.

Dixon Sand is currently undergoing the 3-yearly Independent Environmental Audit and holding the Community Consultative Committee meeting. In addition, Dixon Sand is yet to receive TfNSW's comments in relation to the revised Traffic Management Plan. Therefore, Dixon Sand would like to request for a 14-day Extension of Time for the submission of the revised EMS and Sub-Plans.

Should you require any clarification or additional information, please do not hesitate to contact me.

Yours Sincerely,

Hunny Churcher
Environmental Officer
