Subject: Environmental Management Strategy – Haerses Road Quarry (DA 165-7-2005)

Dear Mrs Churcher

I refer to the Environmental Management Strategy dated 16/11/2022 submitted in accordance with Condition 1 and Condition 5d of Schedule 5 of the approval for the Haerses Road Quarry (DA 165-7-2005).

I note that the Management Strategy has been updated as a result of the recent Modification 5 approval (DA165-7-2005-Mod-5) for relocation of the infrastructure area and amendment of the extraction method.

I have carefully reviewed the changes to the management strategy and I consider the changes to meet the requirements of the relevant consent conditions, therefore please consider the Environmental Management Strategy (Revision V2) for Haerses Road Quarry to be approved.

If you wish to discuss the matter further, please contact Kevin Reid at kevin.reid@dpie.nsw.gov.au or by telephone on 0292746209.

Yours sincerely
