To Whom It May Concern,

Dixon Sand operates the Haerses Road Quarry in accordance with Development Consent DA 165-7-2005. Condition 17 of Schedule 3 of DA 165-7-2005 requires Dixon Sand to complete a minimum 2 year baseline monitoring program on groundwater levels and quality within the Maroota Tertiary Sands Groundwater Source Buffer Zone.

Dixon Sand has completed the abovementioned baseline monitoring and is submitting the report containing a review of the monitoring results to NRAR as part of the consent requirement.

Please do not hesitate to contact me if you require any clarification or additional information.

Kind Regards,
