Dear Ms Jackson

Dunmore Lakes Quarry Project (DA195-8-2004)
Endorsement of Expert – Acid Sulfate Soils

I refer to your request (DA195-8-2004-PA-21) for the Planning Secretary's approval of a suitably qualified person to prepare the Acid Sulfate Soils Management Plan for the Dunmore Lakes Quarry Project (DA195-8-2004).

The Department has reviewed the nomination and information you have provided and is satisfied that the expert is suitably qualified and experienced. Consequently, I can advise that the Planning Secretary approves the appointment of Mr Mark Stuckey of Environmental Earth Sciences to prepare the Acid Sulfate Soils Management Plan.

If you wish to discuss the matter further, please contact Nagindar Singh on 8289 6873 or via email at nagindar.singh@planning.nsw.gov.au.

Yours sincerely

Matthew Sprott
Director
Resource Assessments (Coal & Quarries)

as nominee of the Planning Secretary
