Dear Mr Reed

**Cullen Valley Coal Mine (DA 200-5-2003)
Coal Haulage Vehicle Management Plan**

I refer to the Coal Haulage Vehicle Management Plan which was submitted in accordance with condition 52 of Schedule 4 of the consent for the Cullen Valley Coal Mine (DA 00-5-2003).

The Department has carefully reviewed the document and is satisfied that it adequately addresses the relevant conditions of consent. I understand that the current mining campaign is predicted to be completed within the next 12 months. Therefore, the Department requests that in April 2023 you consult with the Department about any necessary reviews or revisions to this management plan.

Accordingly, the Secretary has approved the Coal Haulage Vehicle Management Plan (Revision 3, dated April 2022). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Melanie Hollis on 8217 2043.

Yours sincerely
