Subject: Environmental Monitoring Program

Dear Mrs Hatley

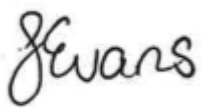

I refer to your submission dated 7 October 2025, requesting approval of the Environmental Monitoring Program (Version 1, October 2025). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in the Cullen Valley development consent (DA 200-5-2003).

You are reminded that if there are any inconsistencies between the Program and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Melanie Hollis on 8217 2043.

Yours sincerely
