Subject: Extension to install intersection warning signs

Dear Ms Hateley

I refer to your submission dated 28 October 2025, requesting a three-month extension to install intersection warning signs as required by condition 54A of Schedule 4 of the Cullen Valley development consent DA 200-5-2003.

I note that the reasons for requesting the extension relate to:

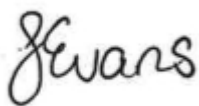

- delays through consulting with TfNSW and Lithgow City Council; and
- a request from TfNSW for further time to complete the work due to design and maintenance.

I also note that operations at Cullen Valley have been paused and therefore there are no trucks currently travelling along the haul route.

Accordingly, as nominee of the Planning Secretary, I agree to an extension to install intersection warning signs until 15 February 2026.

If you wish to discuss the matter further, please contact Melanie Hollis at melanie.hollis@planning.gov.nsw.au.

Yours sincerely

Jessie Evans
