Dear Ms Hollis,

Dartbrook Coal Mine (Mod 7)

I refer to your correspondence dated 28 June 2018 seeking comments and recommended conditions from the NSW Rural Fire Service (RFS) with respect to the above proposal.

The NSW RFS has considered the applicant's 'Response to Submissions' and provides the following comments:

- It is noted that the Notice of Determination for DA 231-07-2000 includes condition 3.9 'Bushfire and other Fire Controls'. It is recommended that this condition be retained in any modified development consent for the proposal.
- It is recommended that the required Bush Fire Management Plan be updated to reflect the proposed operational activities, generally in accordance with the measures outlined in the 'Dartbrook Mine Modification 7 – Response to Submissions' prepared by Hansen Bailey (August, 2018).

For any queries regarding this correspondence, please contact Paul Creenaune on 6691 0400.

Yours sincerely,

Alan Bawden

Acting Manager – Planning and Environment Services (North)
