Dear Justin,

Re: Modification 7 to Taralga Wind Farm Conditions of Approval

Taralga Wind Farm Pty Ltd (TWF) are submitting this letter to the Department of Planning and Environment (DP&E), formally requesting the modification of the existing Conditions of Consent for the project under Section 75W of the *Environmental Planning and Assessment Act 1979*.

The modification relates to a change in the underground reticulation route at Bannaby Road and a modification to the wording of consent condition 86 to enable works within 50 metres or disturbance of Natural Temperate Grasslands subject to appropriate offsetting as detailed in the Biodiversity Offsets Package for the project.

Please find attached the following documents supporting the modification request:

- Geolyse Environmental Assessment: minor modification 7 to existing wind farm consent (241/04), October 2014
- Taralga Wind Farm: modification to Condition 86 (addendum to modification 7), 30 October 2014.

Please do not hesitate in contacting me on this issue on 0429399076 or pedro.vozone@cbdenergy.com.au.

Yours faithfully

Pedro Vozone
Project Development Manager
