Ginkgo Mineral Sands: Extension Request for Biodiversity Credit Retirement

Dear Dr. Chirozva

I refer to your letter dated 28 September 2023 requesting for an additional extension of time under Condition 18A of Schedule 3 to retire Biodiversity Offset Credits.

The Department notes:

- An extension was granted until 29 September 2023
- Ginkgo Mineral Sands have been in consultation with The Credit Supply Taskforce and in progress of submitting a retirement credit application to OEH ROD BOSCRECITS

To incorporate the final steps to retire Biodiversity Offset credits, the Secretary has granted an extension of time until 29 March 2024.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
