Ginkgo Minerals Sands – Radiation Management Plan

Dear Mr. Chirozva

Thank you for submitting the Radiation Management Plan required under Condition 28, Schedule 3 of the consent for the Ginkgo Mineral Sands (DA251-09-01). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Radiation Management Plan contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Radiation Mmanagement Plan (Rev 8 , May 2025).

You are reminded that if there are any inconsistencies between the plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
