Subject: Liddell Coal (DA305-11-01) - Revised Biodiversity Offset Management Plan

Dear Mr Pigott,

I refer to your submission dated 15 October 2025, requesting approval of the revised Biodiversity Offset Management Plan (Version 14.0, dated 25 August 2025) required under Schedule 3, conditions 24, 25, 27 and 29 of DA305-11-01.

The Department notes the revisions were made to address minor administrative updates and current site conditions. The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent (DA305-11-01).

Accordingly, as nominee of the Planning Secretary, I approve the revised Biodiversity Offset Management Plan (Version 14.0, dated 25 August 2025).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge at kiera.plumridge@dpie.nsw.gov.au.

Yours sincerely,

Jack Turner
