

PUBLIC NOTICE

PROPOSED MODIFICATION TO WAMBO COAL MINE ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979 (NSW)

Wambo Coal Pty Limited, a subsidiary of Peabody Energy Australia Pty Limited, is authorised to carry out the Wambo Coal Mine under Development Consent DA 305-7-2003, which was granted under the New South Wales (NSW) *Environmental Planning and Assessment Act 1979* (EP&A Act).

The Wambo Coal Mine is situated approximately 15 kilometres west of Singleton, near the village of Warkworth, NSW. The Wambo Coal Mine includes underground mining operations and a coal handling and processing plant.

Wambo Coal Pty Limited has lodged an application for the **South Bates Extension Underground Mine Longwalls 24-26 Modification** (Modification 19) with the NSW Department of Planning and Environment, seeking approval to modify Development Consent DA 305-7-2003 pursuant to section 4.55(2) of the EP&A Act. The consent authority for Modification 19 will be the NSW Minister for Planning.

Modification 19 includes changes to the South Bates Extension Underground Mine layout to allow for the optimisation and continued operations of the South Bates Extension Underground Mine.

The application for Modification 19 and accompanying documents can be accessed on the NSW Major Projects Planning Portal (<https://www.planningportal.nsw.gov.au/major-projects>).

For further information relating to Modification 19, please contact:
