

A1

Boundaries and distances are by Title and/or Deed only.
No boundary investigation has been carried out.
Relationship of improvements to boundaries is diagrammatic only.
Where shown, the boundaries are defined by further survey.
Services shown herein have been determined from visual evidence only.
Prior to any demolition, excavation or construction on the site the relevant authority should be contacted to establish detailed location of services.
The information is only to be used at a scale accuracy of 1:5000.
The levels and contours shown have been determined by
electric methods only.
The accuracy of the data may not be suitable for building construction and
therefore survey methods should be placed prior to any construction commencing.
Contours are a computer interpretation only & spot levels should be
used in conjunction with contours.
These notes form an integral part of the plan.
