Dear Sir/Madam,

Wallerawang Quarry, DA 344-11-2001 Modification 1-Stockpiles and Washing Plant, Great Western Highway, Wallerawang

I refer to the abovementioned project and your request for submissions for the proposed modified development.

Council Officers consider the Environmental Assessment adequately highlights the relevant issues, and has no objection to the project subject to Council's original conditions remaining on the consent. The matter, however, will be reported to Council's Ordinary Meeting of 26 June 2017.

Council requests that more consideration is undertaken relating to the visual impacts from the Great Western Highway to the Quarry site, specifically in relation to the timeline as to when the vegetation would be planted and the construction of the bund wall.

Please do not hesitate to contact Miss Lauren Stevens who is available between 8:15am and 10:30am Monday to Friday on (02) 63549999, in Council's Environment & Development Department should you have any queries in relation to this matter.

Yours sincerely
