Dear Ms Seed

Wallerawang Quarry Modification – Response to Submissions (DA 344-11-2001 MOD 1)

Thank you for your email received 10 July 2017 seeking WaterNSW's comments on the Response to Submissions (RTS) regarding the Wallerawang Quarry modification application.

WaterNSW has reviewed the RTS prepared by R.W. Corkery & Co. Pty. Ltd. (dated July 2017) and notes that the applicant has adopted its recommendation that Condition 2.29 of the existing Development consent be modified such that the Water Management Plan is updated in consultation with WaterNSW prior to commencing the modification works.

Water NSW would appreciate being notified when this application is determined.

If you wish to discuss this letter or the project more generally please do not hesitate to contact Miles Ellis on 9856 2502.
