Dear Ms Berzins

**DA 344-11-2001; Wallerawang Quarry; Modification 2**

Thank you for your email on 18 October 2018, referring DA 344-11-2001 (MOD 2) to Roads and Maritime Services for comment.

The documentation submitted in support of MOD 2 has been reviewed. Roads and Maritime notes the proposed modification includes extending the life of the project by 12 months, until July 2020.

It is further noted:

- This is an interim measure while environmental studies are completed for a more significant modification to be undertaken and consequently submitted.
- There is no change to transport operations including traffic volumes or types generated by this proposed extension.
- No changes to approved hours of operation during this extension.

Roads and Maritime does not object to the proposed modification and makes no submission.

Should you require further information please contact the undersigned on 02 6861 1453.

Yours faithfully

Andrew McIntyre  
Manager Land Use Assessment
