The Forestry Corporation of NSW (FCNSW) is the landowner of Lot 7071 DP1201227 (part of Lidsdale State forest) where a portion of the Wallerawang Quarry is situated. An application to modify DA 344-11-2001 has been/will be submitted to the NSW Department of Planning and Environment. FCNSW and Walker Quarries have met to discuss this modification, particularly in relation to rehabilitation and final landform. FCNSW requires close consultation throughout this process as some detail is not clear at this stage. Based on this commitment for consultation, FCNSW consents to the application submission.
