Subject: WaterNSW response - Wallerawang Quarry - DA344-11-2001-Mod-5 - (EXH-86251706)

Hi Ethan,

Thanks for the email below.

WaterNSW has reviewed the information and has no comments regarding the Wallerawang Quarry Modification 5 as the modified development would remain substantially the same as that originally approved (DA344-11-2001) and would have no additional impact on water quality in the Sydney Drinking Water Catchment.

Cheers,
Nicole
