### Subject: Wallerawang Quarry (DA 344-11-2001) – Biodiversity Management Plan

Dear Miss Honeysett

I refer to the Biodiversity Management Plan which was submitted in accordance with condition 26 of Schedule 2 of the consent for Wallerawang Quarry (DA 344-11-2001).

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the condition.

Accordingly, the Secretary has approved the Biodiversity Management Plan (Revision 3, dated November 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

Regarding the outcome of the Independent Environmental Audit (July 20021) and its non-compliance recommendation made with respect to condition 25 of Schedule 2 of the consent, the department requires you provide the receipt of the payment to the conservation fund made to satisfy the offset obligations. This receipt of payment can be uploaded to the planning portal at your earliest convenience for the purpose of record.

If you wish to discuss this matter further, please contact Kevin Reid on (02) 9274 6209 or [kevin.reid@dpie.nsw.gov.au](mailto:kevin.reid@dpie.nsw.gov.au).

Yours sincerely,
