Dear Mr Isaacs,

**Broken Hill MSP Project (DA345-11-01 MOD 6)
Noise Management Plan**

I refer to the revised Noise Management Plan which was submitted to address the changes to noise management as a result of the approval of Modification 6 to the Broken Hill MSP Project.

The Department has carefully reviewed the document and is satisfied that it addresses the requirements of condition 6.4(c)(vii) of Schedule 2 of the consent for the Broken Hill MSP Project (DA345-11-01 MOD 6), subject to revising the condition reference on page 10 of the Noise Management Plan to the correct reference of 'condition 6.4(c)(vii)'.

The Department also acknowledges the notification of the agreement between Tronox Mining Australia and Andrew Finlayson, permitting Tronox not to conduct attended or unattended noise monitoring at the receiver unless requested by the owner.

Accordingly, the Planning Secretary has approved the Noise Management Plan (Revision 4, dated May 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Emily Murray on 02 8837 6041.

Yours sincerely
