Subject: Sunrise Nickel/Cobalt - Road Upgrade and Maintenance Strategy

Dear Ms Flynn,

I refer to the Road Upgrade and Management Strategy (Revision 2, dated 3 November 2022), submitted in accordance with Condition 43, Schedule 3 of the consent for the Sunrise Mine Project (DA 374-11-00). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Road Upgrade and Management Strategy has been prepared in consultation with TfNSW, Lachlan Shire Council and Parkes Shire Council and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Road Upgrade and Management Strategy (Revision 2, dated 3 November 2022).

You are reminded that if there are any inconsistencies between the Road Upgrade and Management Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Rachelle Abou Saleh on 02 9228 6177 or rachelle.abousaleh@dpie.nsw.gov.au.

Yours sincerely
