Subject: Sunrise Nickel/Cobalt Project (DA374-11-00) - Noise Management Plan

Dear Ms. Flynn,

I refer to your submission requesting review and approval of the revised Noise Management Plan for the initial Scandium Phase (referred to as the Syerston Scandium Project) of the Sunrise Nickel / Cobalt Project (DA374-11-00).

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant conditions of approval (SSD-45242780). Accordingly, as nominee of the Planning Secretary, I approve the Noise Management Plan (Rev 5, dated 27 February 2026) under Schedule 3, Condition 9.

You are reminded that if there are any inconsistencies between the Noise Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Scotney Moore, on 02 9274 6342.

Yours sincerely
