Subject: Extension Request for Management Plans – Tritton Copper Mine (DA 41/98)

Dear Mr Bruwer

I refer to your request for an extension of time to submit updated management plans for the above project. I understand that a number of plans are required to be updated following the determination of Modification 8, including the:

- Environmental Management Plan;
- Waste Rock Characterisation and Management Plan;
- Disposal Management Plan; and
- Landscape Plan.

It is understood that updates to these plans are well progressed, however additional time is needed to finalise their submission. Upon consideration, the Secretary has granted an extension of time to submit the above plans until 31 January 2023.

If you wish to discuss the matter further, please contact Gen Lucas on 02 9274 6489.

Yours sincerely
