**Subject: Revised Agricultural Land Reinstatement Management Plan – HVO North
(DA450-10-2003)**

I refer to your submission dated 11 August 2025 requesting approval of the revised Agricultural Land Reinstatement Management Plan (Version 4.0, dated 19 August 2025).

The Department has carefully reviewed the document and is satisfied that it has been updated to reflect the 2024 Annual Review dated 31 March 2025 and approval of HVO North Mod 8 granted 24 April 2025.

The Department also agrees that given the minor nature of the updates that consultation with public authorities listed in Schedule 3, condition 62D is not required, per Schedule 5, condition 3.

As nominee of the Planning Secretary, I approve the revised Agricultural Land Reinstatement Management Plan (Version 4.0, dated 19 August 2025) under Schedule 3, condition 62D of DA450-10-2003.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge at kiera.plumridge@dpie.nsw.gov.au.

Yours sincerely,

Jack Turner
