

5th April 2024

Jennifer Rowe
Senior Compliance Officer
Department of Planning and Environment
Level 2, 84 Crown Street
Wollongong NSW 2500

Submitted via the Planning Portal

Dear Ms Rowe,

DA 504-00 Development Consent – Notification – LDP002 Pollution Event

In accordance with Schedule 5, Condition 5A, of the Clarence Underground Coal Mine Development Consent (**DA 504-00**), Clarence Coal Pty Ltd (**Clarence**) hereby notifies the Department of Planning and Environment (**the department**) and other relevant parties of a pollution event at Licence Discharge Point 002 (**LDP002**).

Clarence has received a large amount of rainfall from the 4th of April to the 5th of April 2024 and as a result turbid water has made its way and discharged through LDP002.

Clarence understands the requirement of providing the Department with a report of the incident within 7 days of submitting a trigger notification.

If you would like any additional information or you would like to discuss this matter further, please contact me on 0436 862 646 or matt.ribas@centennialcoal.com.au.

Yours Sincerely,

Matt Ribas
Environment and Community Coordinator, Clarence Colliery
