Dear Ms Trimble

Re Modification Applications – Albury Paper Mill

I refer to the modification applications submitted to the Environment Protection Authority (EPA) for comment on 28 February 2020 by the Department of Planning, Industry and Environment (DPIE) for the Albury Paper Mill located at 117 RW Henry Drive Ettamogah.

The EPA has reviewed the following modification applications and the changes proposed are either consistent and align with Environment Protection Licence No 1272 (the licence) held by Norske Skog Paper Mills (Albury) Pty Limited for activities at the Albury Paper Mill, or they are changes of an administrative nature to planning consents and do not impact on the licence.

- DA-389-8-2003-i MOD 3
- DA 147/92 MOD 3
- DA 41/92 MOD 3
- DA 687 MOD 2

On this basis we confirm we have no objection to the modifications as proposed.

If you have any further enquiries about this matter please contact me by telephoning 02 6969 0700 or by electronic mail at riverina.farwest@epa.nsw.gov.au.

Yours sincerely
