

21 October 2020

Attn: Robert Hodgkins
Team Leader
Energy, Resources and Compliance
NSW Department of Planning, Industry and Environment
(via e-mail to Robert.Hodgkins@planning.nsw.gov.au)

Dear Robert,

RE: Spring Farm Quarry - Modification 5 - Extension of time
PROPERTY: 186 Macarthur Road, Spring Farm

I refer to the above State Significant modification application currently being assessed by your department and thank you for the opportunity to comment.

Council officers have undertaken a review of the modification application and supporting information. This letter provides feedback on the application for your consideration.

Of note, as the submission deadline concluded on Wednesday 21 October 2020, this submission has not been reported to Council for formal consideration and endorsement.

Community Consultation

Council notes that the modification application has not been placed on public exhibition. It is considered that public exhibition should occur given the nearby sensitive receivers. While it is noted that the operations are to remain unchanged, the use is proposed to occur for a further two (2) years and it is considered that the community should have an opportunity to comment on the proposed time extension.

It is further noted that the previous modification applications for time extensions were notified to surrounding residents and submissions were received.

Changing character of area

Residential development and other sensitive land uses, including a public school, have been developed in proximity to the quarry over recent years. The Department should consider the appropriateness of ongoing quarry operations (including any associated noise and dust impacts) in this rapidly urbanising residential area from a land use conflict perspective.

Community Open Space

The quarry site is planned to contain future district level sporting facilities and there is a community expectation that these facilities will be delivered within a reasonable timeframe. The Department should consider that approval of the application will extend the likely delivery timeframe for these facilities.

Should you have any enquiries in relation to this matter, please give me a call on (02) 4645 5631 or e-mail jamie.erken@camden.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Jamie Erken".
