Subject: Water Management Plan for Spring Farm Quarry (DA 75/256)

Dear Ms Stanford

I refer to your submission dated July 2021, requesting approval of the Water Management Plan. I also acknowledge your response to the Department's review comments and requests for additional information.

I note the revised Water Management Plan (dated October 2021) contains the information required by the conditions of consent and has addressed the Department's review comments.

As nominee of the Planning Secretary, I approve the Water Management Plan (dated October 2021) under condition 12 of Schedule 3 of DA75/256.

You are reminded that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail.

Please ensure you make the document and this approval letter publicly available on the company website as soon as possible.

If you wish to discuss the matter further, please contact Nagindar Singh on 8289 6873 or via email [nagindar.singh@planning.nsw.gov.au](mailto:nagindar.singh@planning.nsw.gov.au).

Yours sincerely
