Dear Mr Desmond

**Glendell Coal - (DA80/952)**  
**Extension of Revised Conservation Bond Lodgement**

I refer to your letter request (DA80/952-PA-16) for an extension of time to lodge a revised conservation and biodiversity bond as required under the conditions of consent for the Glendell Coal - Extension of Conservation Bond Lodgement (DA80/952-PA-16).

As noted in your letter dated 3 December 2021, the Department considered the reasons for the extension request. Since significant recalculations of the current bond have been made, additional time is needed to verify the recalculated costs.

Accordingly, the Secretary has granted an extension of time until 2 March 2022 for the lodgement of the updated conservation and biodiversity bond.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 999555944.

Yours sincerely

Stephen O'Donoghue  
Director  
Resource Assessments  
As nominee of the Secretary
