Subject: Updated Biodiversity and Rehabilitation Management Plan

Dear Mr McKenzie

I refer to the updated Biodiversity and Rehabilitation Management Plan version 5 (BRMP), that was submitted in accordance with the relevant conditions of consent.

I note the plans have been updated to include extraction stages 8D to 8M and in response to matters raised by the Department during its review. I note the plan has been prepared and updated by suitably qualified persons at EMM consulting.

I have reviewed the plan and consider the amendments made to the BRMP address the relevant conditions of consent, accordingly I approve the plan.

If you wish to discuss the matter further, please contact me by email: carl.dumpleton@planning.nsw.gov.au.

Yours sincerely
