Dear Ms MacDonald

**Notification of Section 96(2) Modification Application
Sydney International Regatta Centre, Castlereagh**

Thank you for your letter dated 19 January 2016 inviting Transport for NSW (TfNSW) to provide comments on the subject application at Castlereagh.

TfNSW has reviewed the supporting documentation and it is recommended that the condition of consent include a requirement for the preparation of Special Events Transport Management Plans (SETMP) for large events to assess and manage the transport, traffic, parking and pedestrian impacts of these events. The SETMP should be prepared by a suitably qualified practitioner in accordance with 'Guide to Traffic and Transport Management for Special Events', Roads and Maritime Services. Appropriate consultation and approval should be obtained from Council, NSW Police, Roads and Maritime Services and Transport Management Centre (TfNSW) in accordance with the guide.

Thank you again for the opportunity of providing advice on the subject proposal. If you have any questions regarding this matter, please contact Edmond Platon, Transport Planner on 8202 2557 or at edmond.platon@transport.nsw.gov.au.

Yours sincerely
