The Shire Clerk,
Singleton Shire Council,
Queen Street,
SINGLETON NSW 2330

Dear Sir,

Re: PROPOSED CAMBERWELL MINE PROJECT

We wish to lodge our protest at the proposed development of the coal mine within close proximity to our farm.

The noise and air pollution, together with the increase of traffic flow, would greatly effect our living standards.

We realise there is very little the Council can do other than to stipulate certain strict conditions regarding dust and noise control but we would like it to be known that we are against the project completely.

Yours faithfully,

C. R. & S. E. WHITING,
