Dear Sir/Madam

I am writing to make an application under Section 102 of the Environmental Planning and Assessment Act for an alteration to the Development Consent issued to Camberwell Coal Pty Limited on 19 March 1990 for Coal Lease Application No. 205 Part of Authorisation 81 and 308.

In reference to **Condition 17. Annual Report**, I would like to apply for an alteration to the date of submission for the annual environmental report which is currently 31 March each year (for the previous period 1 January to 31 December). The requested date of submission for the report is 31 October each year (encompassing the previous period 1 September to 31 August).

The reason for requesting this alteration is to minimise the annual reporting requirements of Camberwell Coal Pty Limited so that a single report can be issued to all relevant statutory authorities at the same time.

I look forward to hearing from you.

Yours faithfully
CAMBERWELL COAL PTY LIMITED
