Dear Madam

PROPOSED MODIFICATION TO THE MINISTERS DEVELOPMENT
CONSENT
CAMBERWELL OPEN CUT COAL MINE

I refer to your letter dated 17th July, 2001 and advise as follows:-

The proposed development is located within the Patrick Plains Mine Subsidence District, proclaimed on 2nd July, 1980.

Within proclaimed Mine Subsidence Districts, it is a requirement of Section 15 of the Mine Subsidence Compensation Act, that all surface improvements are approved by the Mine Subsidence Board.

The Board's approval for the mining operation, including the removal, transport and washing of coal is not required.

The Mine Subsidence Board has no objection to the proposed mining operation, however, formal approval from the Board will be subject to the receipt of plans of the proposed pit top facilities.

Yours faithfully

Brian Burton
District Supervisor - Singleton
