Dear Mr Sprott

Mount Pleasant Coal Mine (DA 92/97 MOD 3) Comment on the Response to Submissions (RTS)

I refer to your email of 13 October 2017 to the Department of Industry in respect to the above matter. Comment has been sought from relevant branches of Crown Lands & Water and Department of Primary Industries.

Any further referrals to Department of Industry can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

The department has reviewed the RTS and advises that the proponent has adequately addressed matters of regulatory interest to Crown Lands and Water and Department of Primary Industries. The following should be included as conditions of consent in the event of project approval:

- The proponent should develop and/or update the following in consultation with Crown Lands and Water (water.referrals@dpi.nsw.gov.au). Plans should be finalised prior to commencement of works to which the respective plans apply :
 - Water Management Plan
 - Groundwater monitoring Programme
 - Rehabilitation Management Plan
 - Waste Management Plan

Yours sincerely
