Dear Mr Sprott

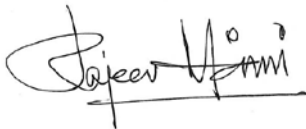

RE: Heritage Council comments on proposed modification – Mount Pleasant Coal Mine (DA 92/97 MOD3) (SSD 8555)

I refer to your email dated 19 June 2017 inviting comments on the above State Significant Development modification seeking approval to modify its existing Mount Pleasant Coal Mine in the Upper Hunter Valley.

The Environmental Assessment (EA) prepared by MACHEnergy, dated 31 May 2017, has been reviewed. It is noted that no State Heritage Register listed items are affected as a result of the proposed modifications, therefore, it is considered that no comment is required from the Heritage Council of NSW in this instance.

If you have any questions regarding the above advice, please contact James Quoye, Assessment Officer, Heritage Division, Office of Environment and Heritage, at email: james.quoye@environment.nsw.gov.au or on telephone: 9873 8612.

Yours sincerely
