Dear Mr Greyling

RE: Heritage Council comments on proposed modification – Mount Pleasant Coal Mine (DA 92/97 MOD4) (SSD 8787)

I refer to your email dated 16 January 2018 inviting comments on the above State Significant Development modification seeking approval to modify its existing Mount Pleasant Coal Mine in the Upper Hunter Valley.

The Environmental Assessment (EA) prepared by MACHEnergy, dated 19 December 2017, has been reviewed. It is noted that no State Heritage Register listed items are affected as a result of the proposed modifications, therefore, it is considered that no comment is required from the Heritage Council of NSW in this instance.

If you have any questions regarding the above advice, please contact James Quoyle, Assessment Officer, Heritage Division, Office of Environment and Heritage, at email: james.quoyle@environment.nsw.gov.au or on telephone: 9873 8612.

Yours sincerely

Rajeev Maini
Acting Regional Manager
