Attention Kane Winwood

Dear Sir

Modification to Calga Sand Quarry (DA94-4-2004 Mod 1) Environmental Assessment

I refer to your letter dated 2nd February 2012 concerning the relocation of the quarry's administration centre to a rehabilitated part of the quarry site and advise that Council raises no objection to the proposal other than it requests the Department to ensure the replacement bore does not adversely impact on the Somersby aquifer.

Yours faithfully

Peter Pegg
Advisor - Town Planning
